**REAL ID CARDS** By October 2020, everyone who wants to board a commercial flight will have to show a new REAL ID driver's license or an equivalent secure ID. A regular driver's license won't be enough. South Carolinians planning to take a domestic flight or enter a federal building or military installation after Sept. 30, 2020 will be required to show the state's new driver's license and ID, called a REAL ID. The new \$25 cards, with a GOLD STAR in the right-hand corner, are available at all 66 locations of Motor Vehicles or online at [scdmvonline.com](http://scdmvonline.com). So, plan ahead and make every effort to be prepared for this new requirement for South Carolina.
